## **The rules of the game**

Knowledge beats all. Which Masonic Lodge did Wolfgang Amadé Mozart belong to? In which film is there a composition with the same title as the theme of this year's Mozart Week? Can you recognize Mozart's most famous works from hearing just a few bars?

Visitors to the Mozart Week 2026 who enjoy quizzes have to be able to answer such questions. The pub quiz tradition comes from England and has become a popular pastime there since the 1970s. Quizmaster Jon Parnell will pose three to four rounds of tricky questions in English – including a round with live music – all about Mozart, and the last year of his life. It is especially entertaining when the participants work together in small teams because the use of mobile phones is not allowed. The winning team will of course be awarded a prize. But the main thing is to have a lot of fun.
